New Products

Workin, Secreter
Design Valentina Carretta
Size: 1130 x 420/840 H 124 mm

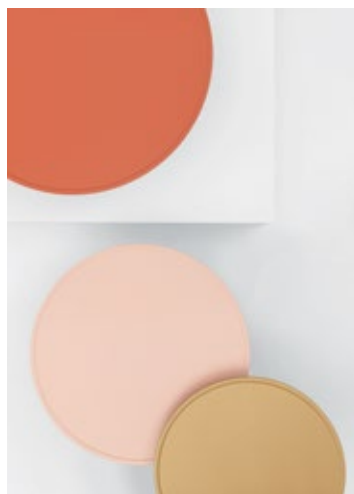

With its neatness in combining the materials and colors, Workin has been conceived as a compact working space. High quality materials underline the decorative charm of this small writing desk, where elegance is given from the contrast of the rigorous lines of the external shell and the smooth curves of the tops.

Gem, Table
Design Valentina Carretta
Size: 1000 x 2200 H 750 mm

Table characterized by a silhouette apparently simple but expressive. The sensual and harmonious line of the legs bind with the central trunk by means of solid yet invisible joints. The rounded-edge glass top confers a delicate lightness to the whole.

New Colors and Finishes

Three original Palette

Haiti with its warm exotic colors reminiscent of Oriental perfumes; the vintage romanticism of Déco, characterized by the dark shades aptly matching with the wood, call to the mind vaguely noir atmospheres; and finally Light, with the more delicate tones that confer freshness and lightness. The new Palette, each composed by six different color tones, can be used on all the products of the collection adding a sophisticated and personal touch.

Fenix

This new surface finish guarantees a greater resistance to micro-scratches. Available in colors Fango, Fumo and Cipria, it is here proposed in two products of the historic Collection of Sculptures Jeux, Nuit and Duetto.
